### FOR SALE TWO 240Z's

I have two Z's for sale, a 1970 (HLS30-03119), and a '71. I bought the '70 in Chicago around 1972 and drove it till about 1984. It has rust in the frame from the midwest salt. It does have a complete interior (black), a 4-speed and a blueprinted engine. I used to run a lot of autocrosses. In 1992, I bought the '71, with the intent of merging them into one car. It's now 2009, and I don't think I'm going to get to it. I need the space and am offering a package deal of both cars for **\$750**. For an **additional \$75**, you can get a spare E-31 head.

Contact me at [Grantk@Castles.com](mailto:Grantk@Castles.com) with any questions, more information, and pictures. The cars are located near *Fairfield*. - Grant Kreinberg"

### FOR SALE

To be seen June 1<sup>st</sup>, my **1978 280Z** is for sale after owning, showing and driving it for all of its years except, the first four! It had been getting first place at "show and shines" and took first place at a *National Datsun Meet* for unrestored 1978's. It is all stock or new old stock. With 266,000 miles and a rebuilt transmission it still runs very well, but is an ideal car for a full restoration at this point.

I plan to auction it on *Ebay Motors* for 7 days beginning June 1; with courtesy to ZONC members. Call me for details (650) 851-0502 or email me [[gordonharper@earthlink.net](mailto:gordonharper@earthlink.net)] and I can send you the full written description with color photos that I have prepared for *Ebay Motors*.
