APPLE PIE RUN

(SATURDAY) May 19 2012

1st Annual Meet and Eat Cheese and Apple Pie Run hosted by the ZONC North Valley Area Representatives Team. Ready to have a great day, travel country roads and even eat your cheese and pie as well?

Hungry for some very renown and fantastic Gouda Cheese made in a local factory? Then, Oakdale Cheese Factory is just the place to visit. See how the cheese is actually made from milk and turned into rounds of pristine cheese. Having the secrets of this historic process tucked away in their small country-side location, the Oakdale Cheese factory is a natural part of a Z Run in the foothills of the Sierras. The tour of the facility is accompanied by a serious taste testing and then you have the opportunity to buy from a multitude of cheese selections.

Not to be challenged, the point of this run is to venture to Covers Apple Ranch, where you can take a train ride through the orchards, pet friendly farm animals and exclusively step back in time and see an operating apple ranch. Having survived over 4 decades, this site offers a multitude of freshly baked goods including their renown "Mile High Apple Pie". Also featured are their various preserves and freshly made Juices. If you have the tastes for a specialty Pie, you can call ahead and order yours before you get there. Having a cafe as well, you can have lunch there from a wide variety of freshly made foods and sandwiches.

Continued in next column

We will be meeting at the Junction of Highway 120 and 99 at the Uniroyal gas station at 0900-0930. Wendy's is right behind the gas station and you will see me with the ZONC banner setup by my Z. From there, we will travel easterly along the country roads until we reach the outskirts of Oakdale. Here you will see the Cheese Factory on your left.

Spending about an hour there, we will head on to Covers on Highway 108/120 and towards the historic township of Sonora. This route takes you along some very picturesque roads and scenery. Arriving at the Sonora Junction, we head off towards Tuolumne on Tuolumne Road and in about 10 minutes, we will arrive at Covers Apple Ranch. Here, you will have your taste buds teased and pleased. The entire distance is only 65 miles, one way.

PRESIDENT'S CORNER

Moving Swiftly Along...

I would like to thank all Members who attended our General Board meeting at Melo's Pizza and Pasta in Livermore, CA on Saturday, April 14, 2012. We had a long and productive meeting and we finalized some details regarding our Annual Car Show at the Brisbane Marina on **July 28, 2012**.

Fees for our Annual Car Show at the Brisbane Marina will be: \$15.00 for Members, who pre register and \$25.00 for non-members who pre register. Day of the event registration will be \$30.00 for all with no discount for Members. The deadline for pre registration is July 7, 2012 and registration forms may be found at our web site, ZONC.org, under Event Registration where you can register online and pay your fees thru Pay Pal. Event T-shirts may also be pre ordered, as there will be a limited number on hand at the show.

This year we will have two classes that cars will compete in, Stock and Modified. Our guidelines for cars in the Stock class shall be: Cars that have all original "stock" parts except for the following replacements: 1) tinted windows, wheels and tires, 2) audio sound system, and 3) exhaust systems. These are the most common parts that are replaced due to age and wear and tear. Any other modifications or upgrades will be judged in the Modified classification. Best of Show shall be determined by the volunteers who work at the show. For the latest news and updates, please see ZONC.org.

I would like to remind Members who want to host an event to fill out a [ZONC](http://ZONC.org) Event Form and submit it to the Board for approval. We need you to send an article and a ½ page flyer to our ZNews editor, Bob Jenkins at: thebeard@sonic.net. We will run ½ page flyers in the ZNews from now on and post a full page flyer on our website, ZONC.org. This is necessary so that we can get all of the flyers of our events in the ZNews in the upcoming months as we have some months with several events. For any further

information, please contact Bob.

I previously reported details for ZCON 2012, the 25th Annual International ZCCA Z Car Convention in Phoenix, AZ during **September 18 - 23, 2012**. We are trying to find out what others are going to do while at ZCON 2012 and how they are getting there and if you would like to share your information, please contact your Secretary, Marci Jenkins at: thebeard@sonic.net. Marci will be collecting information so that we can plan caravans and activities for our Members. Our members are now members of ZCCA and we get a 5% discount on the fees for ZCON 2012. Make sure to select [ZONC](http://ZONC.org) for club affiliation. If you register before 5/31/12 there is an additional 5% discount. For further details on ZCON 2012, please go to ZCON2012@yahoo.com.

Upcoming Events: In May, we also have several events scheduled including the American Le Mans at Laguna Seca on **May 11-12, 2012**. The Apple Pie Run on Saturday **May 19th**. Point of Contact is North Valley Area Representative Rolf Johnsen and he can be contacted at: rsjohnsen@sbcglobal.net and see his article in this issue for more information. Then the Marin/Sonoma Concours in San Rafael is on **May 20, 2012**, and our 2nd Annual Castle Air Museum Run is on **May 26, 2012** with a start point in Manteca, CA. Point of Contact is North Valley Area Representative Rolf Johnsen and he can be contacted at: rsjohnsen@sbcglobal.net for more information and see the flyer in this issue.

As I close my article for this month, I would like to thank all who visit our website, ZONC.org and those who follow us on Face Book at our zonc.org Face Book page. I really appreciate the comments and discussions that our zonc.org Face Book page generate and I hope that those who are not members of [ZONC](http://ZONC.org) please do join us and participate in our events so that we can promote our love of the Z car to our communities.

Our next General Board meeting on **May 6, 2012** will be at the Straw Hat Pizza, 251 Pittman Road in Fairfield, CA. The meeting will start at 11:30am and remember "enjoy the ride!"

April Fools Day Rallye

By Bob Jenkins

On April Fools Day, Sunday, April first, ESCA and myself, Bob Jenkins, presented my 47th Annual April Fools Rallye, in Santa Rosa. Yes, I know it was the 48th Annual, but I was a contestant in the first one. The real April Fools joke was on everyone who thought it was going to rain, because it turned out to be a very nice sunny day. The 48 contestants, as usual, came from as far away as Oregon, Nevada, Garden Grove, and all over the Bay Area, to run this charity event for Canine Companions. They drove old and new vehicles, including Jaguars, Mustangs, BMWs, Minis, Infinitis, Crossfires, Miatas, MGBs, and Zs. There was Ann Devor's 350Z, Henry Nelson's highly modified 240Z, John Martin's 370Z, and the Lois & Ruffin Apperson, who left their Z at home for a better view in an open top MR2.

The 40-mile route went North from Santa Rosa, up to Windsor and out scenic Eastside and Old Redwood Highway (almost to Healdsburg) to Limerick Lane, before heading down Pleasant Avenue and back to Santa Rosa and the finish at a Round Table Pizza Parlor. All 48 cars that started the rallye finished and a good time was had by all.

ZONERs did well, but Henry Nelson and his navigator, Sandra Slate were the only trophy winners with a 3rd in First Timer Class. Best of all Canine Companions received \$700 from the rallye.

GOLD COUNTRY RUN**JUNE 30, 2012**

By Rae and Mark Davis

Get ready for a beautiful drive up Hwy 120/108 to historic and beautiful Columbia State Park, and charming Murphys, located in California's Gold Country!

We will meet up at the Bass Pro Shop in Manteca Ca, just off Hwy 120, at 10:00 am for brief introductions, and an description of the day ahead. From Bass Pro Shop we will head East on Hwy 120 toward Sonora.

Hwy 120 will take us right through the middle of Oakdale where we have a chance to show off the cars a bit. Also if anyone needs to make a stop, there are many gas stations and restaurants here. I suggest that if you need to top off your tank, you do it here as there will be nothing but beautiful rural highway from Oakdale to Jamestown.

Once through Jamestown, we will turn off and head north on Hwy 49 which will take us right through downtown historic Sonora. This is another opportunity to show off our lineup of Z's! From downtown Sonora it is just a couple of miles to historic Columbia State Park on Parrott's Ferry Road off of Hwy 49 north.

As we head toward the Park, we will make a brief lunch stop at Patty's Shack, just south of the entrance to the park. I will be making reservations as soon as I know how many are attending. Once at Columbia State Park, a long time friend and historian can give our group a brief history of this historic gold rush town and then feel free to ride the stage coach, pan for gold, or just enjoy the museum and many shops of this beautiful preserved town.

Those that wish to head on over to Murphys for the rest of the afternoon, or a possible overnight stay, can follow us across the 15 miles of beautiful and windy Parrott's Ferry Road and across the bridge that spans Melones Reservoir! Murphys has over 24 wine tasting rooms, fabulous restaurants, caves to explore, and many quaint shops that will surely have something for everyone!

For more details, directions, information on hotels and restaurants, please contact Rae Davis, 209 728-0532 or at raedavis1099@gmail.com. I can also be found on Facebook.

**Z Car Garage Corral
at Monterey Motorsports Reunion****August 17-19, 2012**

Rob Fuller and ZCar Garage will again sponsor a Datsun-Nissan sports car corral at the Monterey Rolex Motorsports Reunion at Laguna Seca Raceway. Rob has invited ZONCers to bring their Datsuns and Nissans for the weekend of spectacular car racing fun. Information for the event is posted on the Z Car Garage blog at www.zcargarage.com. This year, the Reunion will honor the Shelby Cobra and will surely bring out some of our good friends such as Pete Brock and John Morton. And once again, the races will feature a fantastic variety of race cars including Datsuns and Nissans.

One day, two day and three day passes are available and must be purchased through **Z Car Garage** in order to get a corral pass. The biggest corral day will be Saturday, August 18, when we will have coffee and doughnuts while we watch the cars zip around the track. Don't miss the summer fun in cool Monterey! Watch for more information in upcoming editions of ZNews and on www.zonc.org. Please contact Ann Devor at anndevor@gmail.com if you are interested in attending and for ticket pricing information.

S.B. 1224

California Smog Exemption

We've received word that the California Senate Bill S.B. 1224 which would have given emissions exemption status to vehicles up to 1981, has failed to pass through the committee by a vote of 4-3. The bill is not completely dead however, as the committee has voted 9-0 to have the bill reconsidered.

There is still time for those of you who have not written the members of the committee, to do so. Please contact the committee members and ask for them to support the passage of the bill. You can make a difference, and this is your chance.

1975 Nissan 280Z

This is a great project/restoration/parts car for a Z enthusiast. I would like to find someone who is a Z lover and will take care of the car.

The car is in general disrepair but the body is clean. I have 2 hoods (one vented, one not) as well as a variety of other parts I have collected over the years. There was an issue in the Fuel Injection when I parked it, however the engine was in good running order otherwise at the time.

The price is negotiable based on the interest. This sale is for the car, as is, the buyer to pick up and pay towing. I am located in Fresno, CA. Please feel free to e-mail me with your questions.
