### MSA West Coast Nationals 2013

April 26-28

Motorsport Auto will again host the West Coast Nationals on April 26 through 28 at 1139 West Collins Ave., in Orange, CA. The 3-day event starts on Friday, April 26 with a kick-off party with free In-n-Out burgers for registered guests. MSA will host its annual garage sale starting Saturday morning (get there early for the good stuff!) along with Dyno runs and an area for detailing cars for the show. There will also be a social gathering Saturday evening at a nearby Marie Callender's with complementary appetizers and no-host bar. Then on Sunday, the 28th, early in the morning the road in front of MSA will be closed off and cars will start lining up to enter the ZCar West Coast Nationals show, surely the biggest exclusively Zcar event in California.

### Updates

Well, we had our 1<sup>st</sup> event and the Contra Costa Cruise was a great Success!!

A big "Thank You!" goes to Ann Devor and Paul Gommel for a well organized and fun filled day. This Cruise had a Picture Quiz, where you had to number the photos in the order in which they occurred, it added a fun element to the drive. Winners were presented with St. Patrick's Day items. Please read Ann's article for a more complete report on this event.

We also had our 1<sup>st</sup> General Meeting of the year, with a large group, at Melo's where the Cruise ended. The brief meeting reviewed the activities planned for 2013. We had several people join or re-join ZONC. I'd like to thank all ZONCers and guests who joined us for the Cruise and/or the Meeting,

Our next event, on Sunday, April 7th, is one that ZONC has been invited to by Empire Sports Car Association (ESCA) in Santa Rosa. It's a very scenic 46 mile drive through Sonoma County. Well, actually, it's a A B Variety Rallye, which raises money for Canine Companions. See the article elsewhere in this issue and the flyer posted on our website: [www.zonc.org](http://www.zonc.org).

The 2<sup>nd</sup> April event is our Board and Member Meeting in Modesto at the Black Bear Restaurant at 11:30am on Saturday, April 13<sup>th</sup>. See the notice on the front page of this ZNews, and the flyer posted on our website.

The 3<sup>rd</sup> April event on April 26 to April 28, is the very enormous car show on the streets of Anaheim, known as MSA or The 2013 Motorsport Auto Z-Car West Coast Nationals. This is a must see event! See the article elsewhere in this issue.

And then, May brings 4 fun packed events. Please refer to articles elsewhere in this issue and see the flyers posted on the website. We have two cruises in the Central Valley area and a Corral at the Sonoma Historic races and an elegant Concourse in Marin County, where we hope to see several vintage Z cars owned by ZONCers on display.

## MSA

*continued from cover page*

Those who want to show their Z's must pay an entry fee of \$25. Otherwise, all events are free of charge but you must pre-register at [www.thezstore.com](http://www.thezstore.com) so they will know how many people to expect.

Several of us are looking for good deals on places to stay. The Ayres Hotel offers a discount until March 31 for people attending the show at \$119 per night. Similar rates are available at the Best Western Orange Plaza, and the Town Place Suites Marriott and even less expensive rates are offered at the Days Inn.

We are also thinking about planning a caravan on Friday, the 26th. If you are interested or want more information, please contact [anndevor@gmail.com](mailto:anndevor@gmail.com).

## Marin Sonoma Concours

Several ZONC members have applied and we are hoping they make the show.

## PRESIDENT'S

*continued from page 2*

I believe that as of April 1st we have 104 Members and 29 Associate Members. Our membership numbers are never solid as people are joining or rejoining all the time and it takes a few days for the database to get up to date.

The ZONC Executive Board hope that the 18 Members and 2 Associate Members whose membership expired between January 1st and April 1st will soon rejoin.

All ZONCers should be very honored to be a member of one of the oldest Z car clubs.

While the membership is just a fraction of what it has been in the past decades it is still a viable organization filled with people who share your interest in the Datsun, Nissan, and Infiniti cars.

Do you know that our current annual dues is just \$5 more than it was in 1992? In 1992 you paid \$25.00 per year, in 2013 you paid \$30.00. However, Associate Member annual dues has remained the same: \$10.00 per year. ZONC is a great bargain!

And, we want to attract more like minded members to ZONC. How do we do that? The answer is by providing activities that you and your friends what to be a part of.

So, please share your ideas – ZONC needs you! So share your thoughts with the Executive Board or your Area Representative! Share or write an article for the ZNews, plan a driving event, plan a day at the “beach, mountains, haunted house, etc.”.

We want to see ZONC remain a strong presence in the Car Club community.

Enjoy the open road!

## 2nd Annual Meat and Cheese & Apple Pie Run

Article and photos by Rolf Johnsen

On **Saturday, May 4, 2013** the 2<sup>ND</sup> ANNUAL MEAT AND CHEESE & APPLE PIE RUN hosted by the ZONC North Valley Area Representatives Team will take place. Be ready to have a great day, travel country roads and even have the opportunity to eat your cheese and pie as well.

Hungry for some very renown and fantastic Gouda Cheese made in a local factory, then OAKDALE CHEESE FACTORY is just the place to visit. See how the cheese is actually made from milk and turned into rounds of pristine cheese. Having the secrets of this historic process tucked away in their small countryside location, the OAKDALE CHEESE FACTORY is a natural part of a Z Run in the foothills of the Sierras. Having the tour of the facility is accompanied by a serious taste testing and the opportunity to buy from a multitude of cheese selections.

Not to be challenged, the point of this run is to venture up to just outside in the foothills of the Sierra Mountains to the historical COVERS APPLE RANCH. Here you can take a train ride through the orchards, pet friendly farm animals and exclusively step back in time and see an operating apple ranch. Having survived over 4 decades, this site offers a multitude of freshly baked goods to include their renown "Mile High Apple Pie". Also featured are their various preserves and flowing freshly made Juices. If you have the tastes for a specialty Pie, you can call ahead and order yours before you get there. Having a cafe as well, you can have lunch there as well from a wide variety of freshly made foods and sandwiches.

We will be meeting at the Junction of Highway 120 and 99 at the UNIROYAL gas station at 0900-0930. WENDY's is right behind the gas station and you will see me with the ZONC banner setup by my Pearl White 350Z. From there, we will travel easterly along the country roads until we reach the outskirts of Oakdale. Here you will see the CHEESE FACTORY on your left.

Spending about an hour there, we will head on to COVERS on Hwy 108/120 and towards the historic township of Sonora. We do pass the old INDIAN TRADERS SHOP and can stop there to see some very interesting antiques, turquoise jewelry, blankets and many other buyable collectibles. This route takes you along some very picturesque roads and scenery. Arriving at the Sonora

Junction, we head off towards Tuolumne on Tuolumne Road and in about 10 minutes, we will arrive at COVERS APPLE RANCH. Here, you will have your taste buds teased and pleased. The entire distance is only 65 miles, one-way.

Having lunch at COVERS, we will return back towards Manteca and subsequently on our different ways to home again. Some of the sights we will be passing by include; Indian Reservation Arts and crafts, Historic Jamestown, Historic Jamestown Train yard and even the BLACK OAK CASINO, should you feel lucky. In all an event taking approximately 1/2 day. The round trip miles is 130 miles. The following web sites are current and provide you with more details and specific information:

<http://www.Oakdalecheese.com> and

<http://www.coversappleranch.com>

Maps and updates will be passed out at the meeting point in Manteca. As always, please make sure that your Z is in sound running condition and that your spare tire is good. (A precaution for any drive.)

The detailed flyer will be on the Official ZONC website ([www.zonc.org](http://www.zonc.org)). **RSVP by April 20, 2013** to either ZONC President: Marci, or me, Rolf Johnsen, at [rsjohnsen@sbcglobal.net](mailto:rsjohnsen@sbcglobal.net). This way, I can be sure to make enough maps and directions for all.

## Cruisin' Backroads in the East Bay

By Ann Devor

Thirty-three cars including Z's, G's, a GT-R, Datsun Roadster and a Skyline accompanied by 52 people met at Panera Bread in Walnut Creek on a cool March 9 Saturday morning for the seventh annual Contra Costa Cruise. Amazingly, participants came from as far as Fresno and Ukiah, and even from Fernley, Nevada!

Starting on city streets, the Cruise took us on back roads in Contra Costa, Alameda and San Joaquin Counties. After heading east through Concord and Clayton, everyone caught up at Round Valley Regional Park behind Mt. Diablo and filled the corner parking lot. Beneath beautiful blue skies and the backdrop of spring green hills, the massive gathering of bright shiny sports cars was a fantastic sight to behold.

From the Park, we headed to Vasco Road where we turned south, crossing the foothills and descending to the Livermore Valley. We continued on Vasco Road to where it ends at the foothills south of Livermore, and turning east on Tesla Road, continued all the way to the San Joaquin County line where we saw adults and tykes on dirt bikes riding the trails of the Carnegie State Recreational Vehicle Park. Crossing 580 for the second time, we cut over to Schulte Road and headed toward the Safeway

windmills.

Turning left and southwest on Mountain House Road, we traveled back across 580 and stopped for a breather at the Union 76 gas station, all of our cars double and triple parked just off the freeway exit. While we waited for everyone to get back to their

cars, Sydney Warren opened up her Girl Scout cookie shop in her Dad's trunk and made all of us hungry road warriors very happy.

Finally, for the last leg of the 82 mile tour, we took off on the single lane "pedestrians not advised" Patterson Pass Road, passing close by windmill farms on the hillsides. We reached the crest of Gravity Hill where we met the first oncoming cars, wishing them well as they faced off again an onrushing horde of Datsun, Nissans and Infinitis on the ribbon of road snaking up the hillside.

Back down into the Livermore Valley, we met for lunch at Melo's where the staff hustled to serve the remaining 48 of us! Everyone enjoyed themselves and had a good time. And after a day like that, who can help but start thinking about what to do for the Cruise next year? Thank you to everyone who came along for the ride!
