## PRESIDENT'S Updates

This month is the **Budweiser/Jelly Belly Tour**. I must confess that I'm looking forward to the Jelly Belly store after the tour. So many choices! See the flyer on page 3 of this newsletter.

We'll return to Fairfield and the Cinearos Restaurant for our **Feb. 9th (Sunday) Meeting**. Everyone is welcome for the no-host lunch. We got a great individual pizza with 3 toppings and salad for about \$5.00 and excellent service!

Planning is underway for our **Annual Car Show on July 12th** at the Brisbane Marina. If you have an idea for an event T-shirt design please let me know now. Our classes will remain the same and this year we hope to have 2 or 3 of every model in the show. So, get your friends to put our show on their calendar! Let them know that ZONC is a good deal for the price of the membership! Although, non members are welcome to participate in the car show as always.

We'll have our **March 2nd** (Sunday) meeting after **Cars and Coffee at Blackhawk Plaza** in Danville. Cars and Coffee is free from 8am-10am. The museum opens at 9am. Our **meeting** will be at about **10am at the Fieldhouse Sports Grill**, with a no-host brunch. We hope to have a good showing of ZONC cars at the Cars and Coffee so come join the fun and plan to get there by 8am, as according to ZONC member Gary Kerchner, the lot fills up quickly.

Also in March is the popular **Annual Contra Costa Cruise on March 16th**. The Gommels are planning another great drive. See the flyer on page 4. After the Cruise we will meet at Brennan's for a no-host lunch.

If you want to experience an **A-B Variety Rallye** (about 50 miles around the very scenic Sonoma County) and help raise money for Canine Companions for Independence, mark your calendar for **April 6th**. The entry fee is a very reasonable \$17.00 per car. Talk with ZNews Editor, Bob Jenkins, if you want to know more about an A-B Variety Rallye, as Bob is the RallyeMaster.

ZONCers have already enjoyed drives on the 2014 Anti-

Football Run hosted by David Swig's Amici americani della Mille Miglia in Marin County, and the Porsche of Livermore Mines Road to Mt. Hamilton run. Both of which occurred on January 1st. You'll find more about the Mines Road run in this issue.

**ZCON 2014 registration is now open.** Your user name and password are good from any previous ZCONS that you've registered for. Once you confirm you can NOT make changes ONLINE but must contact the event planners. Don't forget to select ZONC, listed as Z Owners of Northern California. I just registered and the cost for a driver is \$99 and for a passenger is \$85.00. There is also a 2nd hotel available. See schedule on page 6. A ZONC list of attendees will be gathered early in the summer.

## Please Welcome

**NEWS**  
FEBRUARY 1979

Z OWNERS OF NORTHERN CALIFORNIA, Inc.

## LONG AGO IN ZNEWS

February 1979

By Bob Jenkins

On the cover was an announcement for a wine tour starting from El Cerrito, an ad for ZONC club jackets at \$15 and T-shirts at \$5, and an announcement of the new membership application with a RED ZONC emblem.

The Rallye Line by Byron Cole talked about the ZONC Rallye Series of 5 to 7 events. He also talked about the rallye schools, both variety and Pan-AM styles. There was also an article on rallyes and an up coming school by Rich Peterson. Byron and Bill Jones took first place in unequipped in an all night Monte Carlo.

The February calendar listed a General Meeting at the Dublin Howard Johnson's, a Wine tour from El Cerrito, a Rallye School in Pleasant Hill, a Varity Rallye at Sun Valley, and a Pan Am Rallye School in Sunnyvale.

ZONC membership was listed as 480 members and 98 associates, and officers were President Jim Warych, Vice-President Ken Mosbey, Secretary Claudia Matheson, Treasurer Brian Holecheck.

### Blackhawk Museum Cars and Coffee

Danville, Ca

ZONC Member Gary Kerchner, thought a Meet and Greet at the Blackhawk Museum's Cars and Coffee would be fun.

Cars and Coffee is the first Sunday of the every month and occur in many places. Blackhawk's Cars and Coffee is advertised on their website with a note that on those Sunday's the Museum opens at 9am.

Plan to join us sometime between 8am and 10am for the free Cars and Coffee on Sunday, March 2nd, followed by a ZONC meeting and no host brunch at the Fieldhouse Sports Grill at 10am. The agenda will include updates on events planned for the 2014 ZONC calendar and work on the Car Show.

### Datsun/Nissan Corrals at Laguna Seca

by Ann Devor

Plans have been made for a Datsun/Nissan corral for the Tudor United SportsCar Championship at Laguna Seca on May 2-4. Nissan is entering a P2 class racecar with the Muscle Milk Racing team in this new race series that replaces both the former ALMS and Grand Am races.

We have also made plans for a Datsun/Nissan corral for the Rolex Motorsports Reunion on August 15-17 at Laguna Seca. It is always a thrill to see vintage Datsuns and Nissans competing on this world-class raceway and this year promises to be even more exciting when we hope to see one of our good friends on the track. (Hint: ZCG.)

NOTE: The Laguna Seca ticket system now operates in much the same way as the Sonoma Raceway ticket system - you buy your race tickets and your Datsun/Nissan corral pass as separate items through their website serviced by Ticketmaster. The tickets and corral pass are then directly mailed to you.

ZONC does not advance any money and is not involved in the ticket or corral pass process in any manner beyond initially requesting the corral. Ultimately, this means it is not a ZONC corral and any Datsun/Nissan can get in. We requested a corral for 15-20 cars based on past turn-out, but now that it is open to any Datsun/Nissan, you may be wise to buy your tickets early.

## 50th April Fools Rallye Sunday, April 6, 2014

By Zoncer Bob Jenkins, RallyeMaster

**Sunday, April 6, 2014** is the date of EMPIRE SPORTS CAR ASSOCIATIONS, 50th Annual April Fools Rallye, again a charity event, with profits going to CANINE COMPANIONS FOR INDEPENDENCE.

The start will again be at the CHARLES M. SCHULZ MUSEUM on Hardies Lane, in Santa Rosa. Registration will be from 10:30am to 12:30pm and the entry fee will be \$17 per car. There are classes from MASTER EXPERT to FIRST TIMER and awards in all classes, with a participation plaque to the first 40 cars. There is a short rallye school in the start area at 11:00am.

This year's route is less than 50 miles and takes an eastern route, and ends at a ROUND TABLE PIZZA PARLOR in Rohnert Park. The rallye is an easy A/B type event and runs on mostly country back roads. This rallye is not a speed event, but a test of a team's ability's to follow instructions, so yes two people are needed to run the rallye.

The rallye has a web site where you can run a practice A/B Map Rallye and see the event flyer and pictures from past rallyes <http://www.sonic.net/~thebeard/>

## JANUARY 1ST RUN

Article and Photos by Rolf Johnsen

1 January 2014 really turned into a new adventure for me and over 20 other Z Owners this year. Arriving home from work 27 Dec 2013, I had a voice mail from a Mr. Steve Perry of Livermore asking for assistance and our Z Community participation in an event on Jan 1st. He further explained that last year they had organized a Porsche run event which a couple of Zs happened to show up and be part of. He explained that they were so impressed in the details, sparkle and downright performance on the run path, that he would like to Invite Z Owners to their very pristine event on 1 Jan 2014. A food and drink catered start-up meeting point and 98 mile run along and around the base of Mount Hamilton was described as the targeted path. He further mentioned that at the previous event approximately 81 various and very nice cars participated, including the Zs. Asking how he had gotten my name, he described how he looked up Zs in Northern California, found **ZONC** and then my name as the **ZONC** North Valley Area Representative. Also, seeing my position in our club he knew I was a good point to start at.

Immediately seeing this as a good reason to go warm up my Z, I detailed the event using his flyer and proceeded to flood the Z Internet Airways of our support and participation in this event. I was bound and determined to make sure that our Super Zs were there not only showing our open minded willingness to go on good runs but also to reflect the dynamic Nissan Z family we are all part of. I also sent info over to our **ZONC** Sacramento Area Rep and coordinator, Mr Curtis Lewis and my friend and President Todd Gillman of Silicon

Valley Z Owners Group of San Jose/Bay Area region (SVZG). Marci, our **ZONC** President as well as Ann Devor, **ZONC** Secretary were also contacted and these two immediately shot out a Z Gram to all of our members in **ZONC**. In all, we had literally flooded the entire Northern California area of this Partnership Super-Event! Remember, this is all in a matter of 2 days! By Monday, 30 Dec, the flood of feed-backs started coming in from all over the areas asking for clarifications, details and copies of the run map. I forwarded multiple responses over to Steve and the Porsche Gang and the dealership General Manager /event coordinator and this started to come together real fast.

Getting my Z as soon as I could over to Modesto's Central Valley Nissan (CVN-Formal **ZONC** Sponsor) they ensured my Z was in pristine shape and mechanically safe condition to ensure a safe drive through the treacherous Mines Road and up to and around Mount Hamilton mountain range.

On the 1st of Jan, 2014 over 175 cars showed up for this event! Porsches, Ferrari's, Pantera, BMWs, Mystery Performance Race cars and of course Zs from all over the region were here! Being a very exclusive run event for the Porsche Family, our Zs showed in a voluminous rate of over 10% of the total population of racers and participants. It was over double the size of last year's population for the entire event of only 85! Our Zs naturally Sparkled and the infamous Z exhaust roar was heard there. We also received many looks and compliments from these exclusive owners on our cars, many which included statements of "Nice Car," "Didn't know these were so powerful," and many more!

We finally got through the 32-36 cold temps waiting period, eating some pretty good food and hot coffee and had our safety briefing about 0900, where we had to break out into two groups because of the huge number of participants.

*Continued on next page*

## January 1 Run

- continued

Starting off, two paths were taken with both ending 1/2 way through at the Mount Hamilton site. From there we all headed our respective ways back down again. The 98 miles of twisty, hair-raising, grueling, fast turns, banks, straight aways and grueling corners almost ensured that some of the drivers, navigators and passengers finished with soggy pants at the end of the run. There were no accidents or crashes and that meant we had a very safe and successful run and there were a lot of smiling faces from start to finish!

Next year on 1 January 2015, this event will be held again and we have been exclusively invited back! I'll see you all there!
