Flying Start

By Jason Green

It's just before dawn on a Thursday. The apartment is quiet enough to hear a pin drop. The Z waits in the dark just outside.

But my mind is spinning like a VQ37 at redline. In just a few short weeks, my wife and I will welcome a baby girl into the world. I wonder what she'll be like, if she'll share the same fascination with all things automotive, Datsuns and Nissans in particular.

I'm pretty sure she will. It's in the blood.

My plan hinges on keeping the aforementioned Z. Sure, I've heard plenty of stories about new fathers trading in their beloved sports cars for a more practical set of wheels. In fact, my dad gave up a third-generation Ford Galaxie 500 around the time I arrived.

I've only really heard him talk about that car once. It was during a visit many years ago to the CRAWFORD AUTO AVIATION MUSEUM in Cleveland, Ohio. He said it got terrible gas mileage, and by the wicked gleam in his eye, I knew precisely the reason why.

When you've got that many ponies on tap, it's criminal not to mash the accelerator when the opportunity arises.

Like I said, it's in the blood.

Of course, the Z isn't suitable for schlepping a baby. That's why my wife and I held onto her 2003 Mazda 3 hatchback when we upgraded her to a 2015 Mazda CX-5. It's paid off, has four doors and still runs like a champ, even with 175,000 miles on the clock.

Plus, it gets pretty good gas mileage, no matter how hard it's driven.

Wish me luck in this endeavor, and who knows, maybe I'll have a new copilot for runs in the not so distant future.

Switching gears, I wanted to mention a couple of upcoming events, the first being an overnight trip to Fort Bragg on May 21-22 (see the flier on page 4). The club also is slated to hold a gathering at the BLACKHAWK AUTOMOTIVE MUSEUM on June 25 (see the flier on pages 6 and 7).

continued in [next column](#)

Our next event, a **SHINE-N-SHOW OFF and Meeting**, (flier on page 3) will take place **May 7** at noon at **DUBLIN NISSAN, 6450 DUBLIN COURT IN DUBLIN**. All are welcome.

Thanks for reading.

See you on the road soon.

Fort Bragg Tour May 21-22, 2016

A two-day trip to Fort Bragg, CA, will kick-off the summer touring season for ZONC. Ken Clark and his wife, Mary, will host the adventure May 21-22. Meet location is the Petaluma Mall in Petaluma, CA. Sign-in starts at 8:30 am and the ride begins at 9:00 am. They'll head directly for the coast, joining Highway 1 east of Bodega Bay and then travel north to Fort Bragg.

Here's the route on Googlemaps.com:

<https://www.google.com/maps/dir/401+Kenilworth+Drive,+Petaluma,+CA/Bodega+Bay,+CA/Surf+Motel+%26+Gardens,+South+Main+Street,+Fort+Bragg,+CA/@38.4889406,-123.675256,162995m/data=!3m1!1e3!4m20!4m19!1m5!1m1!1s0x8085b3f89938596f:0x7facba8ecf642260!2m2!1d-122.6296388!2d38.2441978!1m5!1m1!1s0x8084274dbab23c5d:0xe4ea395a17784908!2m2!1d-123.0480571!2d38.33325!1m5!1m1!1s0x80804aaf7b64528f:0x4b8c15400af2f77f!2m2!1d-123.807264!2d39.423134!3e0>

Overnight Accommodations

Ken and Mary's favorite lodge in Fort Bragg is the "Surf Motel and Gardens" (www.surfmotelfortbragg.com). It's located in the center of town, close to dining, attractions and the ocean. Rooms are clean and attractive, the management is friendly and accommodating, and the grounds are beautiful. An added plus – they take dogs and even provide a private, fenced exercise area.

Those who prefer something a little more upscale can check the Mendocino/Fort Bragg accommodations website (www.Mendocino.com/fortbragg_lodging.html). ZONC member, Ruffin Apperson suggests movie and TV buffs might consider staying in Mendocino at the Hill House Inn (www.hillhouseinn.com). It's been the shooting location for over 50 movies and the TV show "Murder She Wrote."

Time to Explore

Two miles north of the "Surf and Gardens Motel" is Fort Bragg's famous "Glass Beach" (www.fortbragg.com/explore/glass-beach). It lives up to the phrase, "one man's trash is another man's treasure." It's abundant in "sea glass" created from years of dumped garbage. The ocean's pounding waves broke down the buried glass and pottery, and tumbled them into small, smooth colored pieces that cover the beach. On the bluff above is the Glass Beach Trail – a newly developed walking, jogging and biking trail along the headlands and an old train trestle.

Less than a mile south are the Mendocino Coast Botanical Gardens (www.gardenbythesea.org). You'll find 47 acres of

formal gardens, canyons, wetlands and trails that take you right to the coastal bluffs. There are more than 150 species of birds and magnificent collections of dahlias, begonias, camellias, rhododendrons and even a vegetable garden and orchard.

Just 6 miles down Highway 1 sits the Point Cabrillo Light Station (www.pointcabrillo.org). While on the grounds, you can tour the 1st Assistant Lightkeeper's house, a Marine Science Exhibit in the Blacksmith and Carpenter Shop, and the Lighthouse itself. Sharp-eyed visitors might even spot migrating gray whales, as some females are still moving up the coast with babies in late May.

If you enjoy relaxing along the Pacific Coast, but dislike navigating the summer crowds, ZONC member, Dave Bradley, has a suggestion for you. Dave is associated with the "Newport Ranch" (www.theinnatnewportranch.com) and can "host" guests wanting to relax and stroll on the bluffs far from vacationing crowds. If you wish to make your trip to Fort Bragg extra-special, Dave suggests the ranch's luxurious inn might be just the place for you.

Good Eats

Dave has a couple recommendations for dinner Saturday night: •Purple Rose (Mexican) 24300 Highway 1 •Luna (Italian) 231 N. Franklin St. •Ruffin Apperson's sources suggest: Silver's at the Warf (fish & Mexican) 32260 N. Harbor Dr. Point Noyo (seafood, steaks, pasta) 1011 S. Main St. •Marci Jenkins recommends the clam chowder at: TW's Grill & Bar, (seafood) 400 S. Main St.

The Ride Home

For a change of scenery, the trip home will turn inland. They'll take Highway 128 through the Navarro River Redwoods State Park and past the vineyards of Anderson Valley. Then it's on to Highway 101 and points south.

Here's the route on Googlemaps.com:

<https://www.google.com/maps/dir/Surf+Motel+%26+Gardens,+South+Main+Street,+Fort+Bragg,+CA/39.1975494,-123.7470015/38.8236722,-123.0152723/Petaluma+Marina/@39.0552735,-123.4332849,2589m/data=!3m1!1e3!4m2!1m10!1m1!1s0x80804aaf7b64528f:0x4b8c15400af2f77f!2m2!1d-123.807264!2d39.423134!3m4!1m2!1d-123.8096482!2d39.3355964!3s0x80804cc79836ad2d:0x1de42014592ea94c!1m0!1m0!1m5!1m1!1s0x0:0xce707f7a0f382553!2m2!1d-122.6142394!2d38.2319476!3e0>

It will be a memorable weekend. Plan to join Ken and Mary as they travel up the coast to Fort Bragg.

Much Fun in the Sun Again

By Bob Jenkins

Once again cars gathered from all over Northern California and one from Oregon and one from Nevada, to run the 52ND ANNUAL APRIL FOOLS RALLYE, presented by the EMPIRE SPORTS CAR ASSOCIATION, in Sonoma County. SNOOPY'S HOME ICE parking lot in Santa Rosa was the start location, with the finish just a mile away, but it took 35 miles to reach that finish.

The sunny weather was one reason for the great variety of very nice cars that filled the parking lot at start. The other reason was that the rallymaster took pictures of each car and the one he liked best would go on the participation plaque for the following year.

There were several Mini's, many BMW's, Porsche's from and old speedster to a vintage race car, the Datsun 240Z's, of ZONCers Jim Johnson and Larry Robert, and even Rallymaster Bob the Beard' 240Z. An Audi TT, a 427 Cobra, Mustangs, a Karmann Ghia, a Jaguar XJ8, an Alfa Romeo GTV, a Fiat Spider 124, an MG Midget, and even a Prius and a Tesla.

The route ran around Sebastopol and the Graton area's on mostly country back roads, with an on course checkpoint in the Santa Rosa area. All 40 cars that started finished in good time and we gave \$600 to our charity CANINE COMPANIONS FOR INDEPENDENCE, so a very successful event.

Autocross Locations

By Bob Jenkins

The SACRAMENTO SCCA uses MATHER AIRPORT and SAN JOAQUIN FAIRGROUNDS for their autocrosses and you can see the schedule and find more information at:

<http://www.sfrscca.org/solo2/Sacramento/2016%20Schedule.htm>

The above site also shows the other locations that the SCCA uses, or has used in the past, like CROWS LANDING, MCCLELLAN AIR FORCE BASE, CAL EXPO, CASTLE AIR FORCE BASE, CANDLESTICK PARK, and the OAKLAND COLISEUM.

Also a good web site to learn about autocross is

http://www.baautox.com/forum/index.php?t=thread&frm_id=2&rid=0

If you are interested in trying autocrossing remember your car must be in tip-top shape, because autocrossing is hard on your car and tires, especially on older cars.

For people in the Marin and Sonoma county areas there is also an autocross site in the Santa Rosa area that holds 8 or more autocrosses each year. But you must join the club and become a member before you can autocross.

Here's the website to learn more about the Sonoma county area club <http://www.empiresportscar.org/>

New ZNEWS Email Delivery

ZONC will be sending ZNEWS to you by email every month so you no longer have to wait to receive it by mail or log in at www.ZONC.org to get your copy. Your ZONC Board and members voted at the February business meeting to start a transition from sending ZNEWS by regular mail to email. We hope this will make it easier for you to keep up with our events and take part in ZONC activities. We will also be able to say that ZONC is "going green" as most other car clubs have also done. As an added bonus, when the transition to email is complete the club will save money on postage. If receiving your ZNEWS by email is difficult, please contact Membership Representative Ann Devor (anndevor@gmail.com) and we will work with you. ZONC hopes to have our transition to "ZNEWS sent by email" completed by June. We have already received positive comments from several of you about the transition to email delivery. Many thanks for your support as we try this new approach!

ZONC'er Jack Atkinson with his BEST OF SHOW 300ZX

ZDay California Pismo Beach 2016

by Yolanda Atkinson

After taking BEST OF SHOW last year with our Black 300ZX TT we were completely surprised when we received this year's BEST OF SHOW for the white wide body 300ZX.

There was approx. 200 Z cars of all types in attendance.

Even though it apparently rained in the Bay Area, there was only one small rain shower then it turned into a spectacular day.

It was such an easy and fun drive down Highway 101. And we stayed in beautiful Pismo Beach. Pismo Beach has lots to offer.

ZONC really should consider ZDAY CALIFORNIA on next year's calendar. Perhaps with a caravan from the Bay Area.

Again, thanks to SOCAL Z for putting on another great event.
