To whom it may concern:

ZONC is dedicated to good fellowship, sportsmanship and safe enjoyment of Nissan, Infiniti & Datsun Z, G & GT-R sports cars. Our club was established in 1972 and became a non-profit California corporation in 1976 for Z owners and continues today with owners of Nissan's 350Z, 370Z, the GT-R supercar and Infiniti G35and G37 coupes in addition to classic Zs, Roadsters and 510s.

Z Owners of Northern California (ZONC) would like to invite YOU to join us in growing the love of Nissan, Infiniti and Datsun sports cars. Enclosed are some of our business cards that you can distribute to your customers. This will invite them to visit our website and attend one of our meetings or events and meet other car enthusiasts.

Every year, the ZONC family of cars will be featured in our Annual Car Show, held at the Brisbane Marina in a beautiful venue overlooking the SF Bay. Our goal is to showcase the beautiful collection of vehicles that our members own and drive, and share in their enjoyment of the Nissan, Infiniti and Datsun sports cars. We have a fantastic variety of stock and modified cars in our show which include many award winning cars from other local and national events.

ZONC would like to invite you to participate as a sponsor or vendor in our Annual Car Show on September 10, 2016. If you would like your company advertised on our ZONC.org website for 1 year and on our event t-shirts, you may do so for a nominal fee. Sponsors who donate raffle prizes will also have their names printed on the event t-shirts and will receive one complimentary t-shirt. We will have additional spaces for vendor and dealer booths in the show area and have space available for new 'showroom' cars, which can be reserved in advance.

We're excited about the prospect of another successful event in one of the most beautiful settings in the Bay Area. We appreciate your support of the Nissan, Infiniti & Datsun community and look forward to hearing from you!

Please visit our website, www.ZONC.org and our Facebook page https://www.facebook.com/groups/zoncweb/ to view our events and member activities.
