## ZNews, June 2018

Summer is already here and the weather has been looking really good for having car runs and getting our cars out on the road. We are looking forward to the events that will be happening in the next few months.

Mary Rozmajzl and Ken Clark had a great run out to CASTLE AIR FORCE MUSEUM on April 28<sup>th</sup>. There were probably 350 cars on display with all makes and models being placed under and around all the static plane and jet displays. ZONC was represented with Ken and Mary, Paul Gommel and Ann Devor, Jim Johnson, Andrea Ivan and myself. The weather was excellent with it not being too hot as it can sometimes be.

On May 10<sup>th</sup>, I met up with the 'Datslocos' guys for a '510 Day' in Santa Clara. There were quite a few cars, mostly 510's (as it should be) with 'Datsik' from San Jose showing up with quite a few of their members bringing their cars too.

On **June 9<sup>th</sup>**, Paul and Ann will be having a **Fun Run** starting in Pacifica and heading down the coast, with lunch in Boulder Creek. It should be a beautiful run!

**June 23<sup>rd</sup>** will be the first **NORCAL VINTAGE DATSUN MEET** in Concord for pre-1983 vehicles. There won't be any judging or trophies, just a good time to be had by everyone. This will be at Dave Brubeck Park, 4201 Concord Blvd. Concord, 10 – 3pm. There will be complimentary coffee, doughnuts and bagels.

On **July 8<sup>th</sup>**, Andrea Ivan will be hosting a **Cheese Tour** in the Central Valley.

On **July 28<sup>th</sup>** will be a **Coast Run** that will be hosted by Bob and Marci Jenkins

Our **Annual Car Show** will be on **July 28<sup>th</sup>** this year at the **Brisbane Marina** in South San Francisco. We are hoping for a wonderful turnout. If you might be able to help us in the set up and take down, we would appreciate the help.

Please contact me if you're available.

Things are coming together for the **Monterey Motorsports Reunion** in August. It looks like we have the first set of 69 tickets sold for the car corral and the majority of those registered have vehicles signed up for the parade lap. This is going to be very exciting for ZONC and we need more volunteers to help with the parking, organization and set up of the corral, if you have time.

I hope all of you had a wonderful Mother's Day and I'm sure you will also enjoy Father's Day coming up on June 17<sup>th</sup>. Remember, we wouldn't be here without them.....

Safe travels to you all,

### April Fools Rallye Summary

By Bob Jenkins

The day of the rallye found the rain gone, blue skies and a warm temperature. The turn out of 36 cars came from all over the Bay Area, Sacramento Area, locals and one car from Oregon and one from Nevada.

As promised the route was very scenic, but the roads in the high hills still had some wet roads, but that did not stop everyone from having a great time. Judy & Andy Stocker, from Sacramento, for the second year in a row, took top

score, with a prefect score.

The rallye raised almost \$400 dollars for CANINE COMPANIONS and sponsoring club EMPIRE SPORTS CAR ASSOCIATION kicked in more money to make it a \$600 check that Rallymaster Bob "the beard" Jenkins delivered to the CANINE COMPANIONS headquarters.

## Monterey Datsun/Nissan Corral Update #2

By Ann Devor

A quick recap: Nissan is the honored marque at the 2018 Rolex Monterey Motorsports Reunion at WeatherTech Raceway Laguna Seca. Z Owners of Northern California has the honor of hosting over 100 Datsun and Nissan sports cars that are expected to attend the Monterey historic races. As of May 15, we have sold 92 tickets, 62 corral passes and 53 parade lap passes to Datsun-Nissan race fans on the West Coast, East Coast and in Canada. Here's your latest update on this internationally-recognized racing event.

**1.Race Schedule.** WeatherTech Raceway released a provisional race schedule on April 18. Datsuns and Nissans will be appearing in three or likely four races. The Raceway has not published the race entries yet but we do know that fifty-nine Datsuns and Nissans have been accepted. We have heard on good authority that Datsun 510s will be racing but we have not been able to confirm that information with the racetrack. The important races for Datsun and Nissan race fans will be:

**Group 5A, 1973-1981 FIA, IMSA, GT, GTX, GTU, AAGT.** This race group includes cars built in 1970-1972 including Randy Jaffe's #46 1970 BRE Datsun 240Z driven by John Morton and Rob Fuller's #49 1972 Datsun 240Z.

Sun. 8/26	4:10-4:30 p.m.	Rolex Race 7B

**2. Paddock Tours.** **ZONC** is planning paddock tours for each race group so you can see the pit crews and drivers prep for the races and take off for the starting grid. So far we have lined up Rob Fuller's ZCar Garage tent for race 5A where the crew will be taking care of six cars including Randy Jaffe's #46 BRE 240Z. We also got in touch with Steve Millen who is looking forward to our visit to watch his crew including Kyle Millen get his #75 300ZX ready to race. Steve will also try to squeeze in a tour of our corral.

**3.VIPs.** Gayle Brock on behalf of Peter Brock at Brock Racing Enterprises graciously offered the BRE vendor tent for autographs unless Peter is otherwise scheduled for an autograph session. Peter also plans to visit our corral (date/time tbd). We've also been in touch with Ms. Johnnie Gable, Mr. K's assistant, who has purchased a 4-day ticket and plans to be there from start to finish. We are making plans for our VIPs to ride in our parade lap in open top sports cars unless they would rather drive their own cars than ride! We already may have located a couple of roadsters with available passenger seats.

### Castle Air Force Museum 2018 Super Saturday Car Show

Article and Photo's by Mary Rozmajzi

**ZONC** members represented the world of Datsun and Nissan at the 2018 "Castle Air Museum Super Saturday Car Show," April 28, 2018, near Atwater, CA. They joined 485 other vintage autos, trucks, boats and motorcycles – parked alongside and beneath the wings of America's military giants.

Ninety percent of the vehicles displayed were "America Born, built and Re-build," so **ZONC**'s foreign flavor did not go unnoticed. One attendee said he walked the entire museum grounds "hoping he'd see a Z." He was rewarded with Linda Williams 1978 280Z, Ken Clark's 1970 24Z, and the 2003 350Z owned by Ann Devor and Paul Gommel.

**ZONC** member, Andrea Gholston also entered a foreign model. But, instead of her "trusted" 300ZX "Mario" (in the shop for an engine rebuild) Andrea drove her Italian made "Fiat." **ZONC**'s Jim Johnson also opted for an alternative ride to the show. Jim's Subaru filled in for his 1972 240Z, sidelined with a failed electronic ignition. (Good luck to both Andrea

and Jim as they work to get their rides back on the road.)

The five **ZONC** entries were showcased by a "supersonic" backdrop – a 1950's vintage Contair F-102 Delta Dagger. Its military assignment was to intercept invading Soviet strategic bomber fleets during the Cold War.

This is the fifth year vintage vehicles mingled with military aircraft at Castle. A 1913 Model T Ford truck tanker was the oldest entry. And a vintage Morris Minor pickup traveled all the way from Benson, AZ for the day. Museum show promoter, Don Harman, said all proceeds go to the museum for upkeep, as well as the acquisition and restoration of new airplanes.

## Monterey Datsun/Nissan Corral Update #2

*continued from [page 7](#)*

**4. The Parade Lap** will be on Sun., **August 26 at 12:25-12:45 p.m.** during the lunch break and right after morning race 7B. Everyone will need to be signed up before then. The track will require your signature on a release/waiver form and you will receive a sticker to put on your windshield that allows you to drive through the **Turn 5** gate onto the track. The track has rules for parade laps (e.g. slow speed, no passing) that we are looking forward to sharing with you when received. We are working on getting a photographer to get great shots of you and your cars. We are also looking for volunteers to lead each model group in the parade and to help us make sure everyone is ready to go.

**5. The Corral Car List.** As of May 15, we have 62 sports cars in the Datsun/Nissan Corral.

Skyline	4
Roadster	9
510	12
240Z	13
260Z	3
280Z	3
280ZX	1
300ZX (Z32)	7
350Z	5
370Z, G37	3
GT-R	2

**6. Discounted admission tickets, corral passes and parade lap passes are available only at [www.ZONC.org](http://www.ZONC.org) through July 20.** After the cut-off, neither [ZONC](http://www.ZONC.org) nor Laguna Seca will sell corral passes and parade lap passes. You may purchase advance general admission tickets from the race track until August 20 for Will Call pick-up in Monterey. General admission tickets will also be available at the gate at substantially increased prices.

If you cannot bring your Datsun/Nissan sports car but want to attend, let me know and we'll try to find an available passenger seat for you to ride in the parade lap. For more information about the event, tickets or the corral, please contact me at [anndevor@gmail.com](mailto:anndevor@gmail.com)
