Brisbane Car Show

By Linda Williams and photos by Bob Jenkins

On 7/28 ZONC held their **Annual Car Show** at the Brisbane Marina. This is such a beautiful location to have a display of our member's cars and all of the additional cars that drove-in for the event. The weather was almost perfect, except for a very welcome breeze, considering the rest of the Bay Area was having a heat wave. The 70 - 72 temps were very welcome. Everyone seemed to have a good time visiting and seeing old friends and meeting new people.

Thanks to everyone that volunteered to help with the setup, parking, registration and the raffle table, as well as making sure the parking lot was clean when we broke down everything at the end of the show. We have been invited back to the Marina by Mike (harbor master/manager). He said we were his favorite group to have at the marina!

On Z Road Again

By Linda Williams

The **Annual Car Show** held at the **BRISBANE MARINA** had a good turnout (about 39 cars and trucks). With some participants coming from the North Bay, Inland and Sacramento areas, which had really hot temps the previous days, the cool Bay Area breeze felt good to everyone. The fog was laying in around San Bruno Mountain for most of the morning but soon drew back to give us sunshine by 10AM.

With the number of drive-in participants (15), one new member (Leo D.) and the raffle monies, we had a very successful car show. Thanks again to everyone for their support and help setting up and tearing down the equipment from the event. The **BRISBANE MARINA** was very excited to have us there again and Mike made the comment that we were his favorite event to be held at the **MARINA**. He even offered to give us more room if we needed it in the future. They even allowed me to bring some of the items up a day early because they wouldn't all fit in my Z. The morning of the show, he staged the items in front of his garage and even left the water hose turned on so we could fill the bases for the new flags. A big **THANK YOU** to the **BRISBANE MARINA**!

By the time you read this, the **MONTEREY ROLEX MOTORSPORTS REUNION** will have taken place. Ann Devor worked very long and hard to make this a success. Thank you Ann! Hopefully Datsun/Nissan will be in the spotlight in the future so **ZONC** can support them again.

Jason Green will be hosting a fun run down to **CANAPA DESIGN** in Scotts Valley on **September 15th**. Please **RSVP** to jgreen_writer@yahoo.com so we know how many cars to expect. We're working on a place to meet to make the run to Scotts Valley. It should be a great time and of course the display of cars is out of this world.

Mark your calendars for the **KENNEDY GOLD MINE** run hosted by Ken Clark and Mary Rozmajzl on **October 13th** and our **ZONC Annual Picnic** will be held on **October 21st** at the **COYOTE POINT RECREATION AREA**.

Nominations for next year's board members have been

completed, the ballots will be created by September 15th and emailed/mailed to all current **ZONC** members. The **ballots** must be **completed /returned by October 20th**. Good luck to all the potential board members and please don't forget to vote.

Our **September meeting** will be on **September 9th** at Fuddrucker's in Walnut Creek at **11:30AM**. Don't forget to mark your calendars.

Safe travels to everyone,

Linda

Track Night in America

Track Night in America is a non-competitive, no-stress, entertaining, easy and inexpensive way for nearly anyone who loves cars or motorsports to get on a real racecourse in their own vehicle during weeknights. All that is required is that participants be at least 18 years old with a valid driver's license and have access to an approved helmet and street car in good working condition.

The date for Track Night in America at Thunderhill Raceway Park, Willows, CA

September 13

A Thursday Nights.
