On Z Road Again

By Linda Williams

June 2019

Welcome Summer!! Now that we've had our cars out on a few runs, let's get ready for our **Annual Car Show** coming up on **July 28**th from 10am-3pm. It will be held at the beautiful setting of the Brisbane Marina. The weather should be very comfortable and there's plenty of space to park your cars. Be sure to visit www.**ZONC**.org to pre-register for the car show. **ZONC** members will pay \$20/car, non-members are \$30 up till **July 6**th. After July 6th all registrations will be \$35/car, including the day of the show.

Our May General Meeting was cancelled, but the June meeting will be on **June 9**th at Fuddrucker's, 1940 N. Main St. Walnut Creek, at 11:30am. Hope to see you there.

On April 28th, I took a drive down to Coyote Creek Golf Club with Bryan D and Anthony (Bryan's friend) to attend the Coyote Creek Cars and Coffee. One of the gals said they had approximately 200 cars that showed up for the event. The prior month they had about 100 cars. Looks like this might be something they will continue if the community continues to support it. There was a \$15 fee/car and the money went towards their upcoming event, The Coyote Creek Concours d'Elegance on June 23.

I just returned from an 11 day trip to Ireland! We (tour group of 40) spent most of our time in the Kells and Belfast areas of Northern Ireland. There was so much to see and the history to learn. It really makes the USA look like a 'baby' country. We actually saw some ruins that dated back to 3500 BC! The landscape was filled with more sheep and cows that I think I've seen in my lifetime, and it was so green and lush. I also had the opportunity to taste many of the Irish Whiskeys along the way and found a few that I really, really liked. Thanks to the duty free shop at the airport, I brought back a couple of bottles to remember my trip by.

Safe travels to you all as you plan your summer vacations!

Please Welcome New Members . . .

THE SECOND ANNUAL JAPANESE AUTOMOTIVE INVITATIONAL

The Japanese Automotive Invitational is a celebration of Japanese automobiles in a festive and relaxed atmosphere. Featured vehicles exemplify Japanese innovation, design, and performance that originate from a rich and historically significant car culture. Unique among a week of vintage automotive events during Pebble Beach Car Week, the JAI has distinguished itself as the premier experience dedicated to Japanese automotive achievements, culture, personalities, and the future of Japanese-inspired innovation and design.

Post war era display vehicles should represent the innovations (design, performance, luxury) from Japanese car culture as well as the iconic vehicles that audiences love. Owners will receive a commemorative medallion and invites to INFINITI hosted VIP events throughout the weekend.

DISPLAY REQUIREMENTS & EVENT DETAILS:

or contact Todd Hovsepian at todd_hovsepian@motortrend.com

SHOW DATES: AUGUST 17-18, 2019

- · Vehicle load-in Friday, August 16, starting at noon*
- Vehicle load-out on Sunday, August 18, starting at 4pm*
- · Round-trip transport for approved display cars provided by Motor Trend Group
- Display car security provided by Motor Trend Group

Datsun and Nissan Revisit IMSA at 2019 RMMR

By Ann Devor

Following on the heels of last year's fantastic ROLEX MONTEREY MOTORSPORTS REUNION, twelve Datsuns and Nissans have been chosen to compete in three races in 2019's **RMMR** at WeatherTech Laguna Seca Raceway. The 2019 **RMMR** is celebrating IMSA and will feature three classes of IMSA racecars over the four-day weekend from **August 15** through **August 18**. David Martin's 240Z, Alex McDowell's 280ZX and Rob Morgan's 280ZX will be racing on **Saturday August 17** in Race 5A (1973-1981 IMSA, GT, GTX class). Almost equally exciting will be the IMSA prototype Race 7A on Saturday where you will see advanced racing performance and styling not seen in the production-based cars.

On Sunday in Race 6B (1981-1991 IMSA GTO/GTU racecars), Craig Bennett will drive a 1991 300ZX competing against John Murray in a 1989 Nissan 240SX, Philip Mendelovitz in a 1989 240SX and Michael Parsons in his 1990 300ZX. We'll also see Datsun roadsters on Sunday in non-IMSA Race 5B featuring 1961-1966 GT cars under 2500cc including Alex McDowell's 1967 Bluebird, Phillip Mendelovitz' 1967 311 Roadster, Ross Merrill in his 1966 Fairlady Roadster and Steve Smargiasso in a 1966 Datsun 311 Roadster.

Here's what we have planned so far exclusively for Datsun and Nissan fans:

- We have a private corral with 20 reserved paved parking spaces. Datsun-Nissan race fans who wish to park
 in our Datsun-Nissan special parking area must purchase their corral passes and admission tickets only from
 ZONC. If we sell out our 20 corral spaces we will try to get more, but there is no guarantee.
 Corral passes (\$45) are good for the entire 4-day weekend.
- ZONC is again offering a discount on admission tickets.

Individual Ticket Pricing	Regular Price	ZONC Discounted Price
4-Day (Thurs/Fri/Sat/Sun)	\$170	\$145
3-Day (Fri/Sat/Sun)	\$150	\$130
2-Day (Sat/Sun)	\$120	\$105
Thursday only	\$ 40	\$ 35
Friday only	\$ 70	\$ 60
Saturday only	\$100	\$ 85
Sunday only	\$ 70	\$ 60

For more information or to be added to our special mailing list for updated information, please contact me at anndevor@gmail.com. Don't hesitate, don't be late, and get ready to have a great time at the 2019 RMMR!

FOR SALE 1971 Datsun 240Z

This car has a 1978 280z L28 engine built by Rebello Racing out of Antioch, California in March of 2000. It's a 3 liter motor with twin downdraft 32/36 Weber carburetors. It has a 9.8 compression ratio with a 487 lift and 282 duration cam. There are 205,050 miles on the car and about 20,000 miles on the rebuilt motor. A rebuilt 5-speed transmission from a 1981 280zx was installed in 2003, also by Rebello Racing. All invoices have been kept and specifications are provided.

It's a fun car to drive with a unique paint scheme finished in 2000. It comes with a Pioneer stereo and Polk Speakers. The Centerline Auto Drag rims in satin finish are 8.5x15 with 225-45-15 Toyo Proxes RA-1 tires. It has cross drilled rotors, installed in 2015, with new brake system and lines. KYB struts complete the suspension package. The rear end was rebuilt May of 2002. The exhaust has Glass Packs and chrome tips.

In March 2019 a new battery was installed. My weekly drives are limited because of the manual transmission and my recent physical limitations. It has been garage kept and well maintained.

Asking \$20,000 OBO.
