### On Z Road Again

By Linda Williams

With the election coming to a close, we can move on to Thanksgiving and Christmas, then we can welcome the New Year and hope for more things to happen for our club in regards to having events and runs.

We had our October meeting via ZOOM and had a total of 10 people attending. With Covid-19 still looming in our lives, we will continue to have meetings via ZOOM and all in-person events have been cancelled until further notice.

Our next ZOOM meeting will be November 8<sup>th</sup> at 11:30am.

I hope you all (active members) received your ZONC face covering to enjoy. Keep in mind that it is not a medical mask and is for recreational use. So far, everyone seems to really like them. Thanks to Oscar for the recommendations on purchasing them and having them embroidered.

Voting for the Officers for 2021 is complete. Thanks to everyone that participated! The results of the nominations are: **Linda Williams** for President, **Jason Green** for Vice President, **Oscar Lemus** for Admin Vice President and **Wade Warren** for Treasurer. The Secretary position is still vacant. Congratulations to everyone and I'm looking forward to working with you for another year. (Hopefully we'll get more accomplished tho.... :)

Our December meeting will be on Dec.13<sup>th</sup> at 11:30am via ZOOM. We will have the installation of officers during this meeting. Everyone is invited to attend, and the ZOOM call

information will be included when the December ZNews is sent to everyone.

Wishing you all a very Happy Thanksgiving, I'm sure this will be a year to remember whether you are with your family or being creative in how you celebrate the holiday. Stay safe and healthy!

Safe travels to you all,

# 2009 ZONC Charity Car Show at Hooters in Rancho Cordova

## My 240Z

By New ZONC Member Joe Longmire

Hi, well this April a 1972 240z was purchased from original owner by my brother in Jan 1985. He had the motor rebuilt by Rebello racing in 1988ish. My father used it for a commute car from San Jose to Sunnyvale for a few years and I got it in 1996. I drove it for a few years and then it sat at my parents backyard till 2018 when my mom told me to get this stupid car out of her house! So I brought it to my house with the idea to fix and sell. After working on this car I have developed a love for the design and simplicity of the Z. This is my first restomod, the TV shows make it look so easy! So far I have car down to a shell and have done some welding patchwork (not easy!) I read forums and watched YouTube for all of my education during this. I plan on doing the whole project myself. My plans have changed on selling this Z. Going to keep and enjoy this awesome car!

## Nissan's at Sonoma Raceway

By Bob Jenkins

On a nice sunny Friday in October 2020 a 240Z, a 350Z and a 1983 Skyline joined many other types of cars in the SONOMA RACEWAY paddock for a fun day of autocross.
