By Linda Williams

I'd like to wish all the Mother's in the club and in your family a very Happy Mother's Day from all of us at [ZONC](#)!

Also, just a reminder that your taxes are due on May 17th! That's not really good news tho. I'm sure the government has taken their fair share from all of us.

Our April meeting was held via ZOOM on the 11th with 10 people in attendance. There wasn't a lot of new information to share due to the restrictions that are still ongoing with the Covid-19 Virus. We will continue to hold our meetings via ZOOM until the restrictions open up a little more.

Ann and Paul will be having a Sky to Sea Tour on **May 1st**, starting at **Pacifica Sea Bowl Lanes** at **9AM**. Be sure to **RSVP** (anndevor@gmail.com) so she will have a total count of the number of cars going on the run. It will be about 3 hours of backroads FUN and will end in Half Moon Bay. You will be

able to then decide what you would like to do for lunch and anything else after that. Thanks Ann and Paul for getting the year going with this run!!

Saturday, **June 12th** will bring us back to Blackhawk Auto Museum for a **ZONC** Meet and Greet from 8-12 PM. We will attempt to put as many cars up on the plaza as we can. This will be first come, first on the plaza (if you want to be up there). The lower lot will be available for cars to park also. We will have more information as the date gets closer.

Many of our members seem to have received their vaccines which is a relief for all of us, and it's giving us hope to finally get a couple fun runs in this year.

Be sure to check out the Datslocos Swap Meet on **May 22nd** in Manteca, as well as the SacDatsun FB page for more fun runs. If anyone is planning on going to ZCON in Colorado Springs in August and is looking to ship their car, let's chat and see if we can get a group rate.

My surgery went very well and I was up and driving before the end of the 3rd week. Yes, I pushed it, but when you're locked up at home there's nothing else to do but the PT the Dr has ordered! I'll keep at the PT to ensure that things really heal the way they are supposed to.

Safe travels,
Linda
