## On Z Road Again

Linda Williams

Wow, Fall is here and 2021 is almost over. Luckily, we still have some good weather (usually) that will allow us to continue to enjoy our cars.

On Sept 12<sup>th</sup> we had our Annual Car Show at the Brisbane Marina where we all enjoyed the beautiful weather and boats at the marina nearby. Our location was a little different this year, but we managed to accommodate everyone, including another running event that overlapped our reserved area. But like everything else, we managed to make it happen and had a very successful car show. We had 32 people pre-register for the event with 5 that did not show up. We had an additional 12 people register the day of the event bringing the total to 39 (+/-) cars at the show. For this being a 'Covid year', I feel this was a tremendous turnout for [ZONC](#). Also, we had a pleasant surprise when more than 30 JDM/Skyline cars came to pay us a visit and stick around to add to the enjoyment of the day. Needless to say, the Datsun/Nissan community was well represented at this event. I'm hoping we can continue with future events that might include all clubs. There were many compliments despite the alternate location from our car shows in the past. Hopefully next year we will be back at the other end of the marina and have more space to display our cars.

I would like to congratulate all the winners this year!! Also, I want to THANK everyone that chipped in by bringing extra canopies and tables, it really made the difference in being able to display the raffle items, items for sale, trophies and the registration table. Also, a big THANKS to the volunteers that helped at the tables with the raffle, selling of items and being there to help answer questions and give direction. It really helped make the event a very successful one!!

I would like to acknowledge all of the business' that donated items/money for our car show. Your support always makes our show very successful! THANK YOU so much!!

Our next event will be our Annual Picnic which will be at the Coyote Point Recreation Area on Oct 17<sup>th</sup>. This event is free to all current [ZONC](#) members. I will be sending out a signup list as well as a signup list for side dishes. [ZONC](#) will provide the burgers and hot dogs, buns, condiments and plates/utensils.

We have an additional event, the CSRG Charity Challenge at the Sonoma Raceway on Oct. 2<sup>nd</sup>. We will be having a corral that will be FREE. Hope to see you there.

Safe travels,

PS....be sure to check out our Facebook page ([Zonc.org](#)) for pictures from the event. Jason Green and Bob Jenkins did a great job documenting the cars and people attending.... Thanks guys!!

## ZONCER Runs a Hillclimb

By Bob Jenkins and photos by Nikki Southern

While other ZONCERS were off at ZCON, ZONCER Clark Fenton who lives in Arcata, California took his very nice blue 1973 240Z to the Korbel Hillclimb.

The event was sanctioned by the Northwest Hillclimb Association and put on by the Redwood Sports Car Club (RSCC) of Eureka, on the weekend of August 14 and 15<sup>th</sup>. Normally each year RSCC runs a hillclimb at Hoopa, which is the only hillclimb run in California.

Below is a video of some of the runs up the hill and including footage of Clark and his Z.

Next month there will be an article by Clark about himself and his Z and the hillclimb.
