Linda Williams

Hi everyone!

Happy April's Fools Day and an early Happy Easter!! Hope you have fun and enjoy a laugh or two with your families and friends.

We had our March meeting via ZOOM and we continued our chat about the events and fun runs that ZONC is planning this year. It's been tough to make the plans with the varying restrictions in all the different counties, but now it's looking encouraging for things to happen. This is good news!!

On March 19, the Breakfast Club Rally (BCR) had a "Tokyo Calling" event that had 200 cars accepted for the run. Z Car Garage was invited to have a display of cars at the beginning of the event with about 12 cars asked to participate. **MORE INFO/Pictures TO COME**

The Peterson Museum (Los Angeles) is having a Japanese Car Cruise-In on **April 24th** if anyone is interested. It's only from 9AM - 11AM, \$30 to show your car, \$17 for spectators.

In the MARCH ZNEWS, there was information about a "Generations Display" for the **50th Birthday Celebration**

at **Blackhawk Museum** on **June 5th**. If you are interested, please do the following:

1. Be a current **ZONC** member (unless we don't have any cars submitted for that class and then we will choose from other vehicles that are at the event).
2. Submit pictures (jpg format) of your car that have been taken recently (within 6 mos).
3. We need 3-4 pictures, full side shot, engine bay, interior, and one more of your choice.
4. A short note as to why you would like your car to be chosen for the display.

Submissions are due by **May 15, 2022**. We have extended the deadline. Please send your request to: **President@ZONC.org**. Be sure to include your full name and a contact phone number. There was an email with a Google Form sent to everyone to make it easier.

The tentative date for the **Annual Car Show** to be held at the **Brisbane Marina** is **Sept. 11th**, 10am-3pm. We're just waiting for final permit approval from the City of Brisbane.

The **ZONC Annual Picnic** is planned for the **Coyote Point** Recreational Area either the 2nd or 3rd weekend of Oct., depending on the availability of the Eucalyptus Grove area. They don't accept reservations more than 6 months in advance. I will be following up on that.

As the restrictions are lifted, we are wondering if you would

like to start meeting in person for our monthly meetings? On the months that we have the big events, meetings will be held at the event. Let me know and we can begin making changes, if that's what's requested.

Also, if you are out driving your car and taking pictures, send them to us with a short article and we might be able to put them in the next ZNews!! Also, if you have any special stories you'd like to share with us about your car, send us a note and we'll put it in the ZNews! We have also made some changes to our website: www.ZONC.org. Please check it out!

Safe travels to you all!
